

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Highest Level of Success Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Highest Level of Success Tutoring, LLC provides services that are in alignment with Michigan Grade Level Content Expectations and High School Content Expectations described in K-12 Michigan Curriculum Framework. We hire highly qualified certified teachers. Our company uses a curriculum that is developed by experienced educators, McGraw- Hill. These educational programs are scientifically based research and provide students with the necessary skills to learn successfully and efficiently. We offer differentiated instruction which includes scaffolding, individualized instruction, cooperative learning, and computer based instruction. We utilize strategies and techniques that enhance students potential, develop creativity and promote academic growth. We document all achievement and monitor students progress toward district wide testing such as the MEAP, MME and ACT. We communicate with teachers and parents on students progress. We do continuous curriculum assessments and evaluations throughout the program. Our sessions are held three times a week for two hours. We provide students with individual learning plans and promote academic success.
