

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

## ***How Huntington Learning Centers, Inc. Explains Their Tutoring Program, in Their Own Words:***

---

*The MDE has not edited this description.*

Huntington offers high quality, research based, supplemental educational services to students in grades K through 12. Our curriculum includes 365 lessons in Reading and 663 different lesson plans in Math utilizing curricula such as McGraw Hill Specific Skill Series. Huntington utilizes the California Achievement Test (CAT/5™) for pre and post- tests to ensure consistency, gauge effectiveness, and create an individualized learning plan. We maintain a maximum student teacher ratio of 5:1. Progress, performance, and the student's individualized learning plan are assessed on a continual basis for program effectiveness. Teaching sessions are typically 1.5 to 2 hours in length, 2 to 3 times per week. Students must attend at least two sessions per week. We provide instruction on-site or at a community based location. Huntington tutors are state certified teachers or earn a Huntington Certification before tutoring any students.
