

Instant Student Academic Achievement Centers

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Instant Student Academic Achievement Centers Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Instant Reading Achievement Centers tutors all students, but specialize in the therapeutic treatment of mild-to-severe learning disabilities in students of all ages. At-risk students who defied traditional reading methodologies in the early years, often struggle or experience total academic failure in later years. These same students usually experience immediate success with the reading process shortly after beginning our computer-assisted tutorials. His success is reflected in grades, attitudes and post assessment results. Speed and results distinguish us from many other reading and diagnostic centers. Our streamline approach helps us achieve the targeted outcomes quickly. We do not waste time, energy and other resources on low-payoff routines. We assess the students using valid reliable diagnostic/prescriptive assessments. We set goals and timelines based on the results of these assessments. We schedule two hours per day and three days per week to attain the 30-35 hours of needed instruction.
