**MEMORANDUM**

**TO:** State Board of Education

**FROM:** Mike Flanagan, Chairman 

**SUBJECT:** Adoption of Resolution Regarding National School Lunch Week

The State Board of Education is being asked to approve a resolution declaring October 15-19, 2007, as National School Lunch Week.

In 1963, National School Lunch Week was established by a proclamation from President John F. Kennedy. This week has been recognized ever since to raise awareness about the role school nutrition programs play in the lives of America's children. The theme for 2007 is *Vote for School Lunch*. It is a fun way to get students aware and involved in the voting process. The campaign will deliver some important messages about the National School Lunch Program:

School lunches can be a student's favorite dish and be nutritiously prepared at the same time.

School lunches meet the Dietary Guidelines for Americans and are served in age appropriate portions.

- Research has shown that school lunches have a superior nutritional content to bag lunches, including more fresh fruits and vegetables.

It is recommended that the State Board of Education adopt the resolution regarding *National School Lunch Week, October 15-19, 2007*, as attached to the Superintendent's memorandum dated July 30, 2007.
