## 2. SBE Priorities, Policies, and Programs that this Grant Supports (This information can be found on the SBE approved grant criteria form.):

The 21<sup>st</sup> Century Community Learning Centers (21<sup>st</sup> CCLC) program's primary focus is to assist chronically-underperforming schools to achieve high academic success through high quality, after-school programs.

Legislation requires that state education agencies that receive 21<sup>st</sup> CCLC funds provide training and technical assistance through one or more subgrants, contracts, or cooperative agreements with an entity that has experience in offering high quality training and technical assistance to after-school providers. Technical assistance must be designed to:

- improve the quality of 21<sup>st</sup> CCLC services;
- support the continuous improvement of local programs through a research-based self-assessment and quality coaching model;
- support the replication of successful programs;
- assist local programs in leveraging additional local funds to expand services;
- implement and use the State's indicators of program quality;
- provide training in using data to improve participant achievement results; and
- assist programs in implementing high quality, research-based instructional practices.

3. Background/Purpose of Grant Program: The purpose of the Training and Technical Assistance for 21<sup>st</sup> CCLC Program Grant is to provide training and technical assistance to all current and future grantees to assist local programs in meeting program quality and student outcomes and goals, using an outside, independent, quality coaching, continuous improvement model, specified by the federal legislation.
