MEMORANDUM

TO: State Board of Education

FROM: Michael P. Flanagan, Chairman 

SUBJECT: Report on the Lapeer County Intermediate School District Plan for the Delivery of Special Education Programs and Services

Pursuant to Section 380.1711 of the School Code of 1976, each Intermediate School District (ISD) must develop, establish, continually evaluate, and modify its Plan for the Delivery of Special Education Programs and Services (Plan). Approval indicates that the ISD's and local constituent districts' special education programs and services described in the Plan meet standards which are consistent with federal and state requirements. Approval also allows ISDs to receive reimbursement pursuant to the State School Aid Act.

Staff has reviewed, and I have approved, the Lapeer County Intermediate School District Plan for the Delivery of Special Education Programs and Services. Attachment A is a summary of the changes from the previously approved Lapeer County Intermediate School District Plan.
