

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Jude Family Learning Center Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Jude Family Learning Center (JFLC) provides research-based supplemental instruction to students in grades K-12. The Michigan Curriculum Frameworks, Grade level Content Expectation (GLCEs), High School Content Expectations (HSCEs), Star Math and Reading Assessment (SRSMA), and teacher narrative provide the basis for lessons development. SRSMA, a research based program is used for pre and post testing. JFLC students attend, two-hour sessions, two days a week. Time is spent in a small group with a 1-5 adult to student ratio. Time is also spent in the computer lab with an individualized program, or games that will support and reinforce learning. JFLC requires all staff to provide documentation as evidence of high school graduation, degrees, and/or teaching certifications. Tutors are certified teachers or highly qualified tutors meeting NCLB guidelines. The primary location is Jude Family Learning Center; 9105 Van Dyke; Detroit, Michigan 48213.
