

# 2017 M-STEP Multiplication Table - Grade 4 and Above ONLY

## M-STEP Multiplication Table

.....

This table is allowable for online or paper/pencil M-STEP Math test takers in grade 4 and above who have a documented need such as a persistent calculation disability (i.e., dyscalculia). Please also refer to the Supports and Accommodations Manual and Supports and Accommodations Table for more information on these types of student needs for Michigan's assessments.
