

NEW! Spring 2015 M-STEP Training Videos

The Division of Accountability Services (DAS) is pleased to announce that a series of training videos for Spring 2015 assessments will be available on the DRC eDIRECT site beginning on February 25, 2015. These videos will be of particular interest to Technology Coordinators, Building Coordinators, and any other school staff involved with test administration for M-STEP and MI-Access. A complete list is available below.
