

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

## ***How MI Learning Unlimited, LLC Explains Their Tutoring Program, in Their Own Words:***

---

*The MDE has not edited this description.*

MI LEARNING UNLIMITED (MI L.U.) uses the Diagnostic/Prescriptive Model, recognized widely as being highly effective, to increase student achievement. The staff assesses the skills levels of each student. This information is used to determine those instructional goals and conditions necessary for each student's learning. The tutoring groups consist of 1-8 students with a certified or highly qualified teacher. Each student has a computer generated skills profile for both subjects. The MI.L.U. curricula have been aligned closely with the state content standards. The instructional staff of MI.L.U. are current or retired certified teachers who meet the standards set by the No Child Left Behind Act of 2001. The staff is led and supervised by Carolyn StarkeyDarden (Retired) who served for 37 years in Detroit Public Schools as a reading specialist, administrator and Director of Grant Development. Ms. Darden is also a nationally published author and trainer in the educational industry.
