

# Data Interpretation Workshops

## Learn about reports and data opportunities available to educators through the new Michigan Merit Examination

### General Information

- ✓ There is no charge to attend an MME Data Interpretation Workshop.
- ✓ The workshops are scheduled in the same location on the afternoon of the ACT Educator Workshops. This will allow individuals who want to attend both the ACT and MME workshops to do so in one day.
- ✓ MME Data Interpretation Workshops will be held from 1 pm to 3 pm (following the ACT workshops which will conclude around noon).
- ✓ Advance registration is required and workshop space varies by location.

### Discussion Topics will focus on:

- The design of the MME and how and why it incorporates test items from the ACT and WorkKeys
- How to read, understand, and use MME reports
- How to download and use the MME data files
- Implications of the MME for academic departments, counselors, students and parents
