

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Making the Grade Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Making the Grade Tutoring Service is a Supplemental Education Service designed to provide exciting instructional services that offer extra help in reading. We provide over 50 hours of tutorial services. Our reading program has over 40 years of proven results. Our reading program is aligned with state and local standards. We require all children to recognize basic sight words according to their grade level, analyze items cross textually, increase reading fluency, and use a variety of reading strategies. All lessons are fun-filled, with materials to motivate, encourage, and engage children. Our company hires highly qualified teaching staff. Our teachers are master teachers, and hold valid teaching certificates. Our teachers attend ongoing Professional Development Classes. We start by giving each student a Diagnostic Test to identify each child's specific needs. We provide bi-weekly feedback to parents and the school district about each student's progress.
