MEMORANDUM

TO: Local and Intermediate School District Superintendents, Public School Academy Directors, State Public Universities, Community Colleges, and Individuals

FROM: Kyle Guerrant, Deputy Superintendent *KG*

SUBJECT: Replacement of Michigan Grants Available List (MiGAL)

The Michigan Department of Education has replaced the Michigan Grants Available List (MiGAL) online database with a new page that contains a directory of databases and other information to assist districts, educators, and individuals with fundraising efforts.

The Search for Funding Opportunities webpage provides links to expanded sources of information such as grants and fundraising directories, online fundraising sites and ideas, listings of community and private foundations, places to search for scholarships, and other education related resources. The Search for Funding Opportunities webpage is available on the Michigan Department of Education's website under the "Grants" tab located on the left-hand column. Browsers opening MiGAL will be redirected to the new page.

Questions about the material in the webpage may be directed to Carol Skillings of the Grants Coordination and School Support office at 517-335-0449 or skillingsc@michigan.gov.
