

We spent many evenings sharing spirits with friends out on the top deck, we forgot a bottle opener, so we called for Maintenance...

Monroe County Community School Corporation will never forget our fun times hanging out with the Richland-Bean Blossom team on our own private porch!

we learned from our mistakes though... Stacey made some awesome Margaritas the next session... no bottle opener required. And, this last session, we learned something new....

.... Did you know they make flip flops with bottle openers on the sole? Yep, Stacey happened to have a pair just when we needed it... Hey, she's not an alcoholic or anything... she's just letting her **GOLD** shine through- (being prepared and all....).

My Buddy

Buddy had to help out the Lakeview Team for awhile. I'm not sure he looks like Bob but.....

He's about the right size.

Buddy helping out with wellness activities.....I think Paul got too attached.....

We are definitely
