

## LearningExpress's WorkKeys<sup>®</sup> Practice Tests

ACT's\* National Career Readiness Certificate (NCRC™) is a widely recognized workforce credential certifying that current and prospective employees possess the essential skills needed in the modern workplace. Jobseekers who earn their NCRC prove that they have the skills for the job and give themselves an advantage over the competition.

A career seeker can earn his or her NCRC by taking the following WorkKeys<sup>®</sup> assessments:

- Applied Mathematics
- Reading for Information
- Locating Information

LearningExpress Library now offers two sets of practice exams based on the format, content, and timing of the official internet-based versions of the **Applied Mathematics** and **Reading for Information** assessments.\*\*

Each **WorkKeys<sup>®</sup> Applied Math Practice Test** offers:

- A complete **33-question** multiple-choice practice exam designed to familiarize test takers with the content, format, and timing of the official internet version of the assessment.
- **Authentic practice** with the types of mathematical reasoning, critical thinking, and problem-solving questions found on the official assessment, building in difficulty and skill-level.
- **Instant diagnostic scoring with detailed answer explanations.**

Each **WorkKeys<sup>®</sup> Reading for Information Practice Test** offers:

- A complete **33-question** multiple-choice practice exam designed to familiarize test takers with the content, format, and timing of the official internet version of the assessment.
