SUBJECT: Free Advanced Placement Tests for Qualified Students
Free International Baccalaureate Exams and Registration Fees for Qualified Students

To increase access to Advanced Placement (AP) and International Baccalaureate (IB) tests for low-income students, the Michigan Department of Education (MDE) has applied for and received a federal grant.

Any of the following student eligibility criteria may be used by your school:

- The student is eligible for or receiving free or reduced price lunch.
- The student's family receives assistance under Part A of Title IV of the Social Security Act.
- The student is eligible to receive medical assistance under the Federal Medicaid program.
- The student is a member of a family whose taxable income for the preceding year did not exceed 150% of the poverty level as established by the U.S. Census Bureau.

Actions to capitalize on this funding opportunity for AP test fees are:

- Review and identify all eligible students for free tests.
- Fill in the "Option 1" oval on qualifying students' AP Exam answer sheets.
- In the Remittance section of the AP Shipping & Remittance form, enter the total number of exams (not students) that qualify for the fee reduction.
- AP Coordinators in Michigan will not collect AP Exam fees from students qualifying for a free exam.
- The College Board will bill the state directly for qualifying AP exam fees.
