FROM: Eleanor E. White, Ph.D., Director
Office of Special Education

SUBJECT: Michigan Special Education Reference (MI-SER)

The Michigan Department of Education, Office of Special Education (OSE) is pleased to announce that effective August 15, 2012 it will make available to you a web-based resource that provides access to policy and regulatory information. The system, known as the Michigan Special Education Reference (MI-SER), is accessible by following the link located on the main OSE website (www.michigan.gov/ose-eis) under resources and related information.

The MI-SER is designed to combine easy access to IDEA, 34 CFR Part 300, Michigan laws, statutes, administrative rules, and procedural information in a single location. In addition, the MI-SER functionality provides users with immediate access to special education policy resources through its electronic table of contents or through a word and phrase search engine.

I hope that you will find this system beneficial to your work supporting the education of students with disabilities in the state of Michigan.

If you have further questions regarding MI-SER, please contact Deb Maurer at (517) 373-7062 or by email at maurerd@michigan.gov.
