

## **21<sup>st</sup> Century Community Learning Centers (21<sup>st</sup> CCLC) On-line Offerings Policy**

As a result of changing educational trends and practices, the 21<sup>st</sup> Century Community Learning Centers (21<sup>st</sup> CCLC) program has added language to define the scope of services that a grantee can offer for off-site online classes for grades 9-12. High school programs that offer off-site online classes for 21<sup>st</sup> CCLC programming must adhere to the Michigan Department of Education's guidelines for these program offerings. They are as follows:

- 1) All students that are taking off-site online classes must take part in a minimum of 15 hours of annual programming in regular on-site 21<sup>st</sup> CCLC after-school activities.
- 2) The off-site online classes must be actively facilitated, supervised, and attendance needs to be taken by the 21<sup>st</sup> CCLC staff for reporting in EZReports.
- 3) Any off-site online classes must not be part of an Intermediate School District's Seat Time Waiver program. This would constitute supplanting and result in a program paying back funds to the Michigan Department of Education.
