

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

### ***How Orion's Mind Explains Their Tutoring Program, in Their Own Words:***

*The MDE has not edited this description.*

With Orion's Mind, your child will run, jump, sing, act, build, create, and problem-solve in a small group while mastering math and reading Michigan state standards. The Orion's Mind program is so much fun that our students love to attend. Our students have demonstrated this with an average attendance rate exceeding 90% and academic gains across every grade in math and reading. Your child will practice valuable skills in team building and communication. Using our own active, hands-on curriculum, the Orion's Mind program has made a difference in tens of thousands of lives. As a result of our whole-child approach, your child will demonstrate improvements in test scores, self-confidence, and an overall positive attitude towards learning. We will develop an individual learning plan and report to you monthly on your child's progress.
