2. SBE Priorities, Policies, and Programs that this Grant Supports (This information can be found on the SBE approved grant criteria form.): The State Board of Education has embraced five core strategies to ensure substantial and meaningful improvement in academic achievement in chronically underperforming schools. The 21st CCLC Before- and After-School Summer Program Expansion Grant's primary focus is to assist chronically underperforming schools achieve high academic success through high quality, summer programs. The 21st CCLC Grant currently provides high quality after-school programs serving the same target population. Through an interagency agreement and collaborative efforts between the Michigan Department of Human Services and the Michigan Department of Education, funding from this grant will provide expansion of summer programming currently being offered through the 21st CCLC Program Grant.

The 21st CCLC programs are based upon partnerships between local education agencies and faith/community based organizations. This grant, therefore, also supports the State Board of Education strategy of Integrating Communities and Schools.

The objectives for the 21st CCLC Before- and After-School Summer Program Expansion Grant will promote high quality enrichment opportunities that positively affect student outcomes such as school attendance and academic performance, and result in decreased disciplinary action and other adverse behaviors. High quality summer programs have been linked to positive school-day outcomes for youth.

3. Background/Purpose of Grant Program: The purposes of the 21st CCLC Before- and After-School Summer Program Expansion Grant are to: (1) provide opportunities for academic enrichment, including providing tutorial services to help students, particularly students who attend high priority schools, to meet state and local student performance standards in core academic subjects such as reading and mathematics; (2) offer students a broad array of additional services, programs and activities such as youth development activities, drug and violence prevention programs, counseling programs, personal safety, internet safety, art, music, nutrition, recreation programs, technology and vocational education programs, and character education programs that are designed to reinforce and complement the regular school year academic programs of participating children and youth; (3) offer families served by the community learning centers opportunities for literacy, household budgeting programs, GED completion assistance, career guidance and related educational development. This grant will include an evaluation with emphasis on academic accomplishments and attendance records of program participants.
