Select 1 or 2 below. Check 3 if appropriate.

1. The State's policies, procedures, methods, descriptions, certifications, and assurances meet all application requirements of Part C of the Act as found in the Individuals with Disabilities Education Act (IDEA), codified at 20 U.S.C. 1431 through 1443 and the Part C regulations in 34 CFR Part 303. The State is able to provide and/or meet all policies, procedures, methods, descriptions, and assurances, found in Sections II.A and II.B of this Application.

By selecting this submission statement the State either has on file with the Secretary or has submitted new or revised State policies, procedures, methods, and descriptions that meet all requirements found in Section II.A.

2. The State cannot provide the policies, procedures, methods, descriptions, and/or assurances for all application requirements of Part C of the Act as found in Part C of the IDEA, 20 U.S.C. 1431 through 1443 and the Part C regulations in 34 CFR Part 303. The State has determined that it is unable to provide the policies, procedures, methods, descriptions, and/or assurances that are checked 'No' in Sections II.A and II.B. However, the State assures that throughout the period of this grant award the State will operate consistent with all requirements of IDEA in 20 U.S.C. 1431 through 1443 and the 2011 Part C regulations in 34 CFR Part 303. The State will develop and/or make such changes to existing policies, procedures, methods, descriptions, and assurances as are necessary to bring the policies, procedures, methods, descriptions, and assurances into compliance with the requirements of the IDEA Part C Act and regulations, as amended, as soon as possible, and not later than June 30, 2018. The State has included the date by which it expects to complete necessary changes associated with policies, procedures, methods, descriptions, and assurances marked 'No'. The items checked 'Yes' in Section II.A are enclosed with this application as revised or new or are identified as "OF" already on file with the Secretary.¹

Optional:

3. The State is submitting new or modified State policies and procedures previously submitted to the Department and checked in Section II.A, "N", "R" or "OF" cell(s) found in the 'Yes' column. These modifications are a result of: (1) the State revising its applicable State law or regulations; (2) changes required by the Secretary due to new interpretation of the Act or regulations by a Federal court or the State's highest court; and/or (3) because of an official finding of noncompliance with Federal law or regulation.

A. System of Payments / Use of Insurance / Program Income

The State

X does (check as applicable)

does not (check as applicable)

have a system of payments for Part C services under 34 CFR §§303.203(b)(1), 303.500(b), 303.520, and 303.521 which may include use of public benefits or insurance, private insurance or family fees, such as a sliding scale. Any family fees are treated as "program income" for purposes of 2 CFR §200.307(e) and 34 CFR §303.520(e) and are not included in the State's determination of State and local expenditures for purposes of 20 U.S.C. 1437(b)(5)(B) and 34 CFR §303.225(a) and (b). *Note: If the State has adopted new or has revised its existing policies and procedures regarding its system of payments, it must submit these new and/or revised policies and procedures under Item 3.a in Section II.A above.*

B. Restricted Indirect Cost Rate/Cost Allocation Plan Information

(Note: To be completed if Lead Agency is not a State Educational Agency)

Under 34 CFR §303.225(c), a lead agency may not charge indirect costs to its Part C grant unless the lead agency charges indirect costs through either-- (i) A restricted indirect cost rate that meets the requirements in 34 CFR §§76.560 through 76.569; or (ii) A cost allocation plan that meets the non-supplanting requirements in paragraph (b) of this section and 34 CFR part 76 of EDGAR.

1. If the lead agency is not a State educational agency (as well as any outlying areas that have the Department of Interior as its cognizant Federal agency, even if an SEA) check the applicable status below (more than one check mark may be necessary) and enclose appropriate documentation for this Federal Fiscal Year.

The lead agency has a final restricted indirect cost rate or cost allocation plan that has been approved by the State lead agency's cognizant Federal agency and is in effect for this Federal fiscal year (FFY) (ending on June 30, 2018). (Attach a copy of the approved restricted indirect cost rate agreement or cost allocation plan.)

The lead agency has either a provisional or final restricted indirect cost rate or cost allocation plan that expires or expired on _____ and the State is in the process of negotiating a new restricted indirect cost rate agreement or cost allocation plan that will be in effect for the period _____.³ The State lead agency will continue to charge or bill the Part C grant using the provisional or previously approved final restricted indirect cost rate or cost allocation plan until a new rate or plan is negotiated and approved by the State's cognizant Federal agency, at which point the State lead agency must make appropriate adjustments for applicable FFYs. The State acknowledges that a final restricted indirect cost rate may result in an adjustment of the final audited expenditures allowable to be charged to the Part C grant and the Department's approval of this FFY Part C application with an expired or provisional restricted indirect cost rate does not constitute approval of that rate as the final rate for the lead agency for this FFY. When a final restricted indirect cost rate is approved, the lead agency must submit to OSEP: (1) a copy of the "final" restricted indirect cost rate agreement; and (2) details of adjustments made to past GAPS draw downs in light of the "final" rate. (Attach a copy of the previously approved restricted indirect cost rate agreement or cost allocation plan.)

No indirect costs are charged to the Part C grant. The total amount of the Federal Part C grant is used for allowable direct costs.

Other, explanation attached.

³ A "provisional" indirect cost rate is a temporary rate established for a future prospective period of time to permit budgeting, obligations, and payment of funds by awarding agencies until such time as the actual indirect costs can be determined and a final rate is established for the applicable period; provisional rates are subject to adjustment by issuance of a "final" rate based on actual indirect costs incurred for the period (usually the organization's fiscal year).

2. Check if applicable.

_____ Under 34 CFR §303.225(c)(3), the lead agency may not charge rent, occupancy, or space maintenance costs directly to the Part C grant, unless those costs are specifically approved in advance by the Secretary. The lead agency is requesting the Secretary's approval to charge rent, occupancy or space maintenance costs either directly or indirectly to Part C FFY 2017 funds. If checked, the lead agency must attach to this Application a description of the amount to be charged, all uses of the space, and the proposed method of charging.
