As one who values lifelong learning, I am currently continuing graduate work in education. I have earned a Bachelor of Arts in English Language Arts, a Master of Arts in K-12 Reading, and a Master of Arts in Educational Leadership. Additionally, I have central office and administrator certification, as well as professional development and school improvement facilitator endorsements. My professional experience includes the following:

- District Professional Development Coordinator
- Compliance Monitor for the MDE Technical Assistance Project
- Auditor for the MDE Comprehensive School Audits of High Priority Schools
- North Central Association Ambassador, certified as Quality Assurance Review Chair
- Curriculum Auditor
- President of the Michigan Staff Development Council
- Director of Teaching and Learning
- ISD Consultant for Curriculum, Professional Development, and School Improvement
- Consultant for Career Preparation, Talent Development, and Tech Prep
- Trainer for MLPP
- Title I Coordinator
- English Language Arts Teacher and Reading Specialist
- District Curriculum Council Chair
- Assessment Coordinator
- Lead Writer and Project Director for Federal Grants

Throughout my career, I have focused on maximizing student learning by actively participating in programs and activities that promote continuous improvement. I have gained knowledge and experience in shared vision, data driven decision making, consensus building, technical assistance, program evaluation, fiscal responsibilities, grant management, and instructional leadership.
