Program Information:

Program Description as Provided by Sylvan Learning Center: We start with a thorough skills assessment and work with the parent to establish goals. The goals are based on teaching the below grade level and on grade level skills identified by the assessment as not yet mastered. Most students achieve at least one year's growth in one area after the initial 36 hours of instruction, based on a standardized test. If the student does not meet this growth, we provide an additional 12 hours of instruction at no additional cost. Our sessions involve a student coming to our center and working with a teacher at a table of no more than 3 students, or working online from home. Most materials are selected from nationally recognized texts and manipulatives, and some computer work may also be performed. Sessions are usually 1-2 hours long. Students usually attend 1-12 hours per week.

The program description was created by the provider and has not been edited by the Michigan Department of Education.

Number of Students Served in 2007-2008: 0 Offers Transportation: No English Language Learner: No Students With Disabilities: Yes Place(s) of Service: Some Schools as Selected by the District(s), Place of Business, Via Technology	Subject Areas: English, Mathematics Grades Served: K-12 Estimated Hours of Tutoring Per Student: 36 Number of Students to be Served: 1 - 50 Student-Teacher Ratios: <ul style="list-style-type: none"> ■ Classroom: 1 teacher per 3 students ■ Computer-based: 1 teacher per 3 students ■ Online instruction: 1 teacher per 3 students
