Program Information:

Program Description as Provided by Sylvan Learning Center - Bay City: The Sylvan Learning Center of Bay City will provide students in Kindergarten through 12th grade with instruction in math or reading. Students will receive instruction at one of our three centers, Bay City, Midland, or Saginaw. The length of each session is approximately one hour. Parents/Guardians will be responsible for transportation unless it is provided by the school district. Students will attend a minimum of two hours of instruction each week. We currently serve students with ADD, ADHD, learning disabilities, and other special needs. Instruction is available at our Center all year round. The ratio of students to teachers is 3:1. Each program is designed to meet the needs of the State of Michigan requirements. On-going conferences are provided with the parents/guardians and classroom teachers and will normally occur after the first twelve hours and will also be on-going throughout the 36 hours of instruction.

The program description was created by the provider and has not been edited by the Michigan Department of Education.
