Program Information:

Program Description as Provided by EduTech Cognitive Therapy & Tutorial Services: EduTech Cognitive Therapy provides on-line and off-line tutoring in reading & mathematics to K-12 students. Our tutoring program utilizes a variety of effective techniques that are proven to help increase the academic achievement levels of all students, including those with special educational needs (e.g. LD, ADHD, ADD, Dyslexia, At-Risk for failure, and ELL Spanish-speaking). Our highly-qualified tutors, service students in schools, churches, or in the home; and many are Sp.Ed. certified. Students attend up to 4 hours per week, after school, weekends, also summer, and they receive a total of 32 hours of tutoring in one-on-one or small group sessions. Tutors diagnose each student's needs, and prepare individualized learning plans (ILP) that utilize direct tutor instruction and computer-based programs designed to help increase academic achievement, and improve learning and memory skills. Monthly progress is reported to parents and skills growth is measured at the end of the program.

The program description was created by the provider and has not been edited by the Michigan Department of Education.
