Program Information:

Program Description as Provided by I-SE2Y: The purpose of I-SE2Y's Math & ELA Tutorial Program is to increase the knowledge base, academic achievement, and performance on standardized tests for students in 3rd thru 8th grades. The creators of I-SE2Y are educators with more than 40 years experience teaching urban students. Using direct instruction and cooperative learning methods, our tutors will use Open Court Reading, Addison-Wesley Math, previously released MEAP test questions, and Accelerated Math computerized software to deliver tutorial services. Our tutors are selected based on a demonstrated ability to effectively use all prescribed programs. We primarily support the instruction already delivered by the primary classroom teacher. However, at the specific request of a parent or the primary classroom teacher, tutors may perform specific skill remediation tutoring. I-SE2Y is truly confident that our comprehensive services will completely satisfy parental expectations, local school requirements, and State of Michigan.

The program description was created by the provider and has not been edited by the Michigan Department of Education.

<p>Number of Students Served in 2008-2009: N/A Offers Transportation: No English Language Learner: No Students With Disabilities: No Place(s) of Service: Some Schools as Selected by the District(s), Place of Religious Worship, Student's Home, Other</p>	<p>Subject Areas: English, Mathematics Grades Served: 1-8 Estimated Hours of Tutoring Per Student: 30 Number of Students to be Served: 50 - 1400 Student-Teacher Ratios: <input type="checkbox"/> Classroom: 1 teacher per 5 students <input type="checkbox"/> Computer-based: 1 teacher per 8 students <input type="checkbox"/> Online instruction: Not available</p>
