Program Information:

Program Description as Provided by Club Z In-Home Tutoring: Club Z! has been providing SES in almost 30 states since 2005. Club Z! offers two programs of instruction: One-on-one in-home and small group tutoring sessions (Club Z! Choice). Small group sessions range of 2-5 students per instructor. After an initial assessment, a student learning plan is developed for each student identifying areas of weakness and setting goals for student achievement. Our tutoring sessions can range from 1–2 hours and 2-3 times per week. The total length of the Club Z! Program is 20 hours. Club Z! utilizes curriculum products published by Pearson Education that are aligned to research-based methods of teaching as well as Michigan standards. All Club Z! instructors are highly qualified degreed professionals, certified teachers, or individuals with a minimum of 60 hours of college credit. All instructors have an extensive background check prior to placement with students.

The program description was created by the provider and has not been edited by the Michigan Department of Education.

Summary Consumer Satisfaction and Academic Achievement Information:

Consumer Satisfaction

Type of Rater	Number* of People Completing a Survey	Satisfaction Rating	This Provider's Rating	Statewide Average
Parents		Percent of parents who were satisfied with this tutor		80%
		Average overall letter grade from parents		B+
Teachers	1	Constructed letter grade from teachers for effects on classroom performance	E	C
	1	Percent of teachers who agreed this tutor positively impacted students' learning	0%	30%

*For many tutors, the number of surveys completed is very low. Readers should consider the number of responses when drawing conclusions about any provider.

Academic Achievement: There are limited or no data available on the basis of which to assess this provider's impact on academic achievement.

How the Statistics Were Calculated:

Consumer satisfaction data is from a mail survey of parents and an online survey of teachers concerning students receiving supplemental education services in the 2009-2010 school year.

- The teacher letter grade for effects on classroom performance is from responses to seven questions about students' classroom performance. An average across all items (excluding items with no response) was calculated for each provider and the top 20% of scores were coded as "A," the next 20% were coded as "B," and so on through "E."

- The rating of teachers' perceptions of provider impact on student learning is based on responses to the agree-disagree question, "This tutor is positively impacting this student's learning." Responses of "agree" or "strongly agree" are considered.

The overall grade is a weighted average of the consumer satisfaction and academic achievement data. Additional information is available upon request from the Michigan Department of Education.
