Program Information:

Program Description as Provided by Rocket Learning: Rocket Learning is a minority owned and operated company that was specifically founded to provide high quality tutoring services. Our objective is to help our students acquire the skills they need to succeed in school and in life. We offer eligible students in grades K-12 small group instruction in English Language Arts or Mathematics within the students' school or at a nearby location. Our program is taught by certified and experienced teachers. We offer instruction on weekdays, weekends and during the summer to provide parents and students the flexibility of choosing a session best suited for their schedules. Weekday sessions are between one and three hours in length and occur at up to 5 days a week; Weekend and summer sessions are between three and six hours in length and occur 2 - 4 days a week.

The program description was created by the provider and has not been edited by the Michigan Department of Education.
