Program Information:

Program Description as Provided by Learning Specialists: The Learning Specialists' program provides academic tutorial services for students in grades K-12th, with emphasis on improving achievement of the Michigan standards for reading, writing, and mathematics in small group sessions, with the student/teacher ratio averaging 5:1, meeting a minimum of 2 hours a week. Learning Specialists provide workbooks, with each student being administered a variety of academic assessments. The result of these assessments will be used to develop the individual achievement plan. Students identified for tutoring in reading/writing will receive services that advance reading and writing proficiency, comprehension skills and improve course grades. Those identified for math tutoring will build skills to successfully connect mathematical concepts in complex ways.

The program description was created by the provider and has not been edited by the Michigan Department of Education.
