Program Information:

Program Description as Provided by Vision Academics, L.L.C.: Vision Academics, L.L.C. provides a 10-week program for students in grades K-12. Four hours a week we are committed to reading and math instruction. We provide regular education and special education services. Our vision is to focus on the most important concepts in reading and math to give the Vision students the tools they need to compete in the multimedia world. We know how to make learning exciting through group lessons and arts & technology! We are confident in our ability to deliver a quality program where your child will learn. We have high expectations for every child regardless of their current progress. We will motivate your child and they will make academic progress. We establish partnerships with principals, teachers and most importantly, the parents to make ensure that no child is left behind in our program. We create a climate of trust and respect. Come on to the Vision!
