Program Information:

Program Description as Provided by Gateway: GTE offers fun and effective tutoring to students 2 days a week. GTE uses a direct instruction model to teach a curriculum filled with engaging materials and activities. The direct instruction model consists of teacher-led lessons in which students are guided step by step through a progression of skills until they have mastered the goal for the lesson. Completion of our program requires a minimum of 36 hours. GTE program addresses academic skills from grades k-12. Corrective Reading, Perfection Learning, and Abrams Learning Trends components of our reading curriculum target essential skills in fluency and comprehension. The writing program includes the 6+1 Traits of Writing. Corrective Math and Connecting Math Concepts components take students through increasingly complex math problems through step by step sequencing so that math becomes interesting and rewarding. GTE tailors individual learning plans for each student. Gateway teachers are highly qualified in their area of study.

The program description was created by the provider and has not been edited by the Michigan Department of Education.
