Sylvan Learning Center, the nation's leader in supplemental education offers personalized programs in reading and math. We begin by identifying your child's specific needs with a Sylvan Skills Assessment. We administer each program using a method of instruction called mastery learning. Students are taught to master a skill before they move on to the next level. Our teachers are highly trained and certified, they love teaching and motivating students. We keep parents and teachers updated every step of the way. We serve students in grade levels K-12. We offer our services after school, evenings, weekends, and in the summer.
