

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

## ***How The Learning Center of Southwest Flint Explains Their Tutoring Program, in Their Own Words:***

---

*The MDE has not edited this description.*

The Learning Center of Southwest Flint, located on Miller Road, provides excellent one-on-one tutoring by high-quality, certified teachers. We provide one-on-one tutoring for all ages and learning areas. The Learning Center assists students with learning disabilities, ADD, autism, and dyslexia. Students will be evaluated at the beginning of each program. This initial assessment is shared with the parents and determines the program and goals for each student. Tutoring sessions will focus on reading comprehension, phonics, vocabulary, writing skills, math, focus of attention, and learning strategies. An evaluation is then given at the conclusion of the program to measure student growth. The tutoring sessions are one hour in length. The student has two sessions weekly, meeting with the same tutor each session. The tutor talks with the parents after each session regarding the student's progress. The Learning Center provides all instructional materials.
