

## 2010-11 McKinney-Vento Homeless Grant Estimated Allocations

The McKinney-Vento Homeless Grant is based on a two-year cycle. Because the first year of the cycle was 2009-10, no new applicants will be approved for 2010-11 (the second year of the grant).

All fiscal agents funded in 2009-10 will receive funding in 2010-11. The Michigan Department of Education (MDE) anticipates preparing an *estimated* allocation for this grant by the end of August 2010, which will allow fiscal agents access to a portion of their funds at the beginning of the 2010-11 school year. The amount of each fiscal agent's award will be determined primarily by the count of homeless students reported in the Michigan Student Data System (MSDS) by each Local Education Agency (LEA) within the fiscal agent's consortium.

LEAs have the ability to estimate actual counts more accurately than MDE before the final counts are provided by the Center for Educational Performance and Information (CEPI), since each LEA monitors students entering and exiting the district. LEAs should take this information into account when planning for the 2010-11 fiscal year. ***It is paramount for LEAs to maintain and submit complete and accurate counts of homeless children in a timely manner in order for fiscal agents to be fully funded for children receiving services.***

Users can access the MSDS application on the CEPI website at:

[http://www.mi.gov/cepi/0,1607,7-113-986\\_50502---,00.html](http://www.mi.gov/cepi/0,1607,7-113-986_50502---,00.html)

On the following page is a table of fiscal agents awarded funds in 2009-10 and their consortium members, the count of homeless students used to determine 2009-10 awards (2008-09 counts), and the count of homeless students reported on the fall 2009 Student Count Day (September 30, 2009). Please compare these counts to assess how accurately your LEA is reporting homeless student counts. Note the comparison is between the **2008-09 FULL SCHOOL YEAR** with the **2009 FALL COUNT**. LEAs have until the end of the current school year to ensure that all homeless students are entered into MSDS. ***Fiscal agents are strongly advised to address the accuracy and completeness of homeless student counts for each of their consortium members before the End-of-Year MSDS data is certified (July 14, 2010).***

A number of LEAs reported homeless children in the 2008-09 SRSD or in the MSDS on the fall 2009 Student Count Day but have not joined a consortium. These LEAs will **not** be found on the following table. *LEAs may still join an established consortium for the coming year.* Interested LEAs should contact the McKinney-Vento Homeless Education Grant Coordinator at one of the fiscal agents listed below.

If you have any questions regarding the McKinney-Vento Homeless Grant, please contact Pam Kies-Lowe at (517) 241-1162, or at [Kies-LoweP@michigan.gov](mailto:Kies-LoweP@michigan.gov).
