

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How To The Top Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

To The Top offers small group, in-person tutoring in Reading and/or Math to students in grades K–12. Using workbooks from nationally recognized publishers of educational material, our tutors guide students through their Reading or Math lessons, working in small groups of up to 5 students per tutor, for 1–2 hour sessions, up to 3 times per week. Our tutors, who are typically state-certified teachers and who have all earned at least their bachelor's degree in a related field, pre-test all students to determine their specific academic needs and skill level. All of our individualized Student Learning Plans are collaboration between the tutors, students, parents/guardians, the student's classroom teachers, and district representatives. Parents/guardians must approve all learning goals and timetables before tutoring begins. All tutoring sessions take place in a convenient location after school, before school, on weekends, and/or during the summer.
