

*This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).*

*The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.*

## ***How Top Flight Education Explains Their Tutoring Program, in Their Own Words:***

*The MDE has not edited this description.*

Top Flight Education provides tutoring in reading and math for children in grades K-12. Our program is designed to raise achievement in students who struggle but are yet eager to learn. Top Flight was created to meet the expectations of the State and the need of the parents and students. We mainly employ experienced Certified or formerly Certified Teacher. Because our teachers are so vital to student's success, they also submit a letter of recommendation from their principal or department head certifying credentials. Tutors will be assigned only to students relative to their certification, degree or ability to prove mastery through testing. Top Flight provides tutoring in before and after-school settings for schools that have not made AYP. Our services are offered at the convenience of our parents and student: generally, tutoring is administered 3 days/wk for 2hrs/day, in-school, in-home, off-site, or 24/7 online.
