

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Total Education Solutions Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Total Education Solutions (TES) is the leading national provider of contracted special education compliance and staffing to public, private and charter schools throughout California, Michigan and Ohio. The goal of TES' Supplemental Education Services is to assist students to improve their functioning and/or learning capacity. TES' program includes: Pre- and post testing using standardized academic assessment tools; Individual goals and objectives developed for each student; and Services to special education students and English language learners. Our professional staff of tutors all meet Michigan state requirement for Supplemental Service Providers including DOJ fingerprint clearance. Tutors typically have a Bachelor's degree have experience working with children with remedial needs. All tutors receive on-going supervision and training provided by Supervisors who are directed by TES Area Coordinator or Regional Manager holding at least a Master's Degree and full special education or related service credentials and at least five years experience in teaching.
