

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Tutorial Services Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Our program combines on-line instruction with phone-based tutoring support, which is provided to students in their home. We use the on-line K-12 CompassLearning Odyssey (CLO) reading, language arts, science and math curricula, which are aligned with National as well as Michigan State content standards. The ratio with our highly qualified tutors, minimum of 60 college credits, shall be one on one. We will provide students with computers and internet reimbursement. The pre program assessment provides a comprehensive standards-aligned assessment of the students learning needs. Our tutors combine the CLO diagnostic results with standardized test score data and information from parents and teachers to create an Individualized Learning Plan (ILP) for the student. We ideally like to see each student on the program 2-4 times per week with a minimum of 30 minutes each session.

About This State-Approved Program:

Subject Areas: English, Mathematics

Grades Served: K-12

Estimated Hours of Tutoring Per Student: 30

Number of Students to Be Served: 1 - 250

Student-Teacher Ratios:

- Classroom: Not available
