

This is a report card created by the Michigan Department of Education (MDE). Report cards are made for each company that tutored students during the 2010-2011 school year, in the program named Supplemental Education Services (SES).

The purpose of report cards is to give parents information to help them choose an SES tutor for their children in the coming school year. SES is a free tutoring program.

How Vision Academics, L.L.C. Explains Their Tutoring Program, in Their Own Words:

The MDE has not edited this description.

Vision Academics, L.L.C. provides a 10-week program for students in grades K-12. Four hours a week we are committed to reading and math instruction. We provide regular education and special education services. Our vision is to focus on the most important concepts in reading and math to give the Vision students the tools they need to compete in the multimedia world. We know how to make learning exciting through group lessons and arts & technology! We are confident in our ability to deliver a quality program where your child will learn. We have high expectations for every child regardless of their current progress. We will motivate your child and they will make academic progress. We establish partnerships with principals, teachers and most importantly, the parents to make ensure that no child is left behind in our program. We create a climate of trust and respect. Come on to the Vision!
