BULLETIN 1014

Michigan Public School Districts  
Ranked By Selected Financial Data  
Revised  
May 2010

## **Michigan State Board of Education**

Kathleen N. Straus, President

John C. Austin, Vice President

Carolyn L. Curtin, Secretary

Marianne Yared McGuire, Treasurer

Nancy Danhof, NASBE Delegate

Elizabeth W. Bauer

Reginald M. Turner

Casandra E. Ulbrich

Ex Officio Members

Jennifer M. Granholm  
Governor

Michael P. Flanagan  
Superintendent of Public Instruction

## Glossary of Terms

This section contains terms used in the Bulletin 1014, together with such additional terms as may be helpful in promoting a common understanding of school financial accounting and reporting procedures. (Major, Function, and Object Codes are further defined in the *Michigan Public School Accounting Manual* found on the Michigan Department of Education website at: [http://www.michigan.gov/documents/appendix\\_33974\\_7.pdf](http://www.michigan.gov/documents/appendix_33974_7.pdf) )

### General Terms

**General Fund**—The fund used to record all operating revenue and expenditures of the district pertaining to education except school food service, athletics, certain special education center programs, certain large non-instructional programs, purchase of sites, construction of buildings, and the retirement of bonded debt.

### Revenue

**Local (Major Class Codes 1xx, 2xx, 51x, 52x)**—Revenue produced within the school district boundaries for operating the schools and available to the district in the amount produced. The major source of local revenue in most districts is the general property tax levy. (Note: To avoid counting the same revenue multiple times; Statewide and Groupings reports DO NOT INCLUDE local revenue paid to another Michigan public school (Major Class Code 51x.)

**State (Major Class Codes 3xx)** —Revenues received or to be received from the State of Michigan which are appropriated by the state out of state levied funds. The major source of state revenue in most districts is the State School Aid foundation allowance. (Note: To avoid counting the same revenue multiple times; Statewide and Groupings reports DO NOT INCLUDE state revenue paid to another Michigan public school (Major Class Code 317 and 318.)

**Federal (Major Class Codes 4xx)**—Revenue received or to be received from the federal government which is redistributed by the state; or redistributed by a local unit of government, such as a county or a city; or allocated directly by a federal agency, e.g., U.S. Department of Education. (Note: To avoid counting the same revenue multiple times; Statewide and Groupings reports DO NOT INCLUDE federal revenue paid to another Michigan public school (Major Class Code 417 and 418.)

**ALL SOURCES**—Includes revenues from local, state, federal and intermediate units of government (e.g., county), as well as incoming transfers and other transactions. Please note, the total of local, state and federal revenues will not add to the "ALL SOURCES" total because incoming transfers and other transactions are not included in any of the individual revenue columns. (Note: To avoid counting the same revenue multiple times; Statewide and Groupings reports DO NOT INCLUDE revenue paid to another Michigan public school (Major Class Codes 317, 318, 417, 418, or 51x.)

## Expenditure Accounts

(Note: Individual district per pupil amounts include payments made to another public school for services rendered, sub grants, and other flow through situations. However, to avoid counting the same expenditure multiple times; Statewide and Groupings reports DO NOT INCLUDE expenditures paid to another Michigan public school (Object Codes 82xx.)

**Instruction—(Function Codes 1xx)-** The cost of activities dealing directly with the teaching of students in the classroom or in a classroom situation.

**Basic Programs (Function Codes 11x)** —The classroom costs related to basic instructional programs. This includes pre-school, elementary, middle and high school . These expenditures do not include capital outlay. The denominator for this category includes k-12 and special education pupils.

**Added Needs (Function Codes 12x)** —The classroom costs of added needs instructional programs offered by the school. This includes special education, compensatory education, and vocational education. These expenditures do not include capital outlay. The denominator for this category includes k-12 and special education pupils.

**Adult Education (Function Codes 13x)**—The classroom costs of adult/continuing education programs operated within the school's general fund. These expenditures do not include capital outlay. The denominator for this category includes adult education participants only!

**Total Instructional Expenditure (Function Codes 1xx)**— The total basic, added needs, and adult education classroom instructional costs. These expenditures do not include capital outlay.

**Instructional Salaries and Benefits (Function Codes 1xx, Object Codes 1xxx-2xxx)**— The total classroom instructional salary and fringe benefit costs for classroom instructional personnel.

**Support Services—(Function Codes 2xx)** -The cost of activities which provide administrative, technical, and logistical support to facilitate and enhance instruction.

**Instructional Support (Function Codes 21x and 22x)**—The costs of pupil support services and instructional staff support services. These include, but are not limited to, speech therapists, guidance counselors, school nurses, and curriculum specialists. These expenditures do not include capital outlay.

**Business and Administration (Function Codes 23x,24x,25x,28x,29x,and 45x)**—The total cost of general administration, school administration, business services, central services, and other support services. Non-capital facilities acquisition costs are included in this total. For fiscal year 1999-2000 and following, the source data breaks out the facility acquisition costs from other business services. These expenditures do not include capital outlay.

**Operations and Maintenance (Function Codes 26x)**—The cost of those activities concerned with keeping the physical plant open, comfortable, and safe for use. These expenditures do not include capital outlay.

**Total Support Services (Function Codes 2xx, 45x)**—The total cost of support services. In addition to instructional support, business and administration, and operations and maintenance, the total includes transportation services. These expenditures do not include capital outlay.

**Current Operating Expenditures** (Functions 1xx, 2xx, 45x, All object Codes but 6xxx) —The total of Instructional and Support Services Expenditure. This grouping of expenditures is defined as the total General Fund charges incurred for the benefit of the current fiscal year, whether paid or unpaid. This group would include all expenditures of the instructional programs plus applicable supporting service costs less capital outlay, debt service, community services and outgoing transfers and other transactions.

**General Fund Expenditures** —A descriptive heading under which are grouped all General Fund expenditure accounts reported by the school district. These activities include current operating expenditures, community services, debt service, capital outlay, and other transactions.

## Other Terms

**Average Salary Per Teacher**—A heading under which are gathered the full-time and prorated portions of regular teachers' salaries for teaching services provided to pupils. The computation is made by dividing the total salaries of certified staff charged to Function Code 11x, Basic Programs, by the corresponding teacher fte reported in the Registry of Educational Personnel (REP) for the same fiscal year. Districts reporting "0" in either of the datasets will show an average salary of \$0 on the Bulletin 1014. The grouped average salary calculations do not include any REP FTE if the district reported a corresponding "\$0" as salary on the FID. Additional data related to the payments made to management companies by public school academies may be found on CEPIs website at [www.michigan.gov/cepi](http://www.michigan.gov/cepi).

**Fall Pupil Count**—The number of pupils legally enrolled and reported to the Center for Educational Performance and Information on the fall submission of the Single Record Student Database file. The count includes prorated portions of the instructional time spent by private school pupils in the public school district and all four adult education participant counts for the 2008-09 fiscal year.

**Adult Education Participants** - Full time equated individuals enrolled in and attending a department approved adult education program under Section 107 of the State School Aid Act. There are four counts of adult education participants included in the FTE totals.

**Taxable Value Per State Aid Member** (Homestead and Non-Homestead)—The figure represents a calculation made by dividing the ad valorem taxable value of real and personal property in the district (as reported on the DS4410) by the the Fall Pupil Count.

**Pupil Teacher Ratio**—Calculated by dividing the Fall Pupil Count excluding adult education participants by the total K-12 teachers.

**Per Pupil**— Unless otherwise noted, the total revenue or expenditure amount was divided by the Fall Pupil Count of the school district to arrive at the per pupil amount.

## Reader Notes

0 indicates that data is missing or not available, as well as indicating actual zero values.

One school district appear in the 2007-2008 publication with no financial data. For this reason, per pupil calculations were not possible. District 23490 Oneida Township S/D #3, has not submitted 2007-08 FID data. An additional nine active districts are not reported in this publication because they do not have the required pupil count used to create per pupil amounts. Those districts/psas are: 66070 - White Pine, 74902-Academy for Plastics Manufacturing, 74904-Health Careers Academy, 74905-Hospitality Academy of St. Clair, 74907-Information Technology Academy of St. Clair, 74908-Academic Transitional Academy of St. Clair, 74909-Public Safety Academy of St, Clair County, 74910-St. Clair County Academy of Style, and 82998 Ace Academy.

Ranking of various data elements was updated for fiscal year 1997-98 and following. In prior years' Bulletins 1014, districts with tying amounts for a given data element have not received an equal ranking. The program creating the rankings simply assigned the next available rank to each subsequent record. For 1997-98 and following, districts with tying values for a data element will be given an equal rank. Districts with missing or zero values will not be included in the rank. The ranking for each data element indicates the relative position of a given public school district as compared to all other public school districts reporting data for that data element. The total number of public school districts included for each element is listed on pages 1 and 2 of the report.

Beginning in Fiscal year 2007-08, districts were required to record payments made to other public schools under the function code of the service purchased. For this reason, each functional category (and total current operating expenditure) per pupil may show an increase commensurate with the dollar amount of services purchased from another public school. In past years, these expenditures were recorded as an other financing use.

The Bulletin 1014 is available on the Michigan Department of Education Website at:  
[www.michigan.gov/mde](http://www.michigan.gov/mde), under Administrator choose Publications and Reports and then Bulletin 1014

### **Statement of Compliance with Federal Law**

The Michigan Department of Education (MDE) is in compliance with Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. 1681 et seq. (Title IX), and its implementing regulation, at 34 C.F.R. Part 106, which prohibits discrimination based on sex. The MDE, as a recipient of federal financial assistance from the United States Department of Education (USDOE), is subject to the provisions of Title IX. MDE does not discriminate based on gender in employment or in any educational program or activity that it operates. The Michigan Department of Education complies with all Federal laws and regulations prohibiting discrimination, and with all requirements and regulations of the U.S. Department of Education.
