166	1253	Buildings Districts	Approximately one-third of all K-12 building's have committed to implement the challenge. Approximately one out of every four district's have committed to implement the challenge in , middle and high school buildings.
------------	-------------	--------------------------------	---

State Superintendent's Dropout Challenge Participants

Note: A few districts requested both a district and building contact. To avoid double counting these buildings, they have been listed twice but only counted once in a district building total.
