

Asian Center – Southeast MI
presents an

Asian American Health Conversation

Saturday, June 11, 2016

10:00 am – 12:30 pm

at

Asian Center – Southeast MI
24666 Northwestern Hwy, Southfield

Topics include:

- What things make a community or neighborhood healthy?
- Do you live in a healthy community/neighborhood? Why or why not?
- What are the strengths or challenges for your community?
- What is the role of government and other organizations in making your community/neighborhood healthy (e.g. schools, law enforcement agencies, other government agencies, hospitals, clinics, businesses, wellness centers, parks, fitness centers, sidewalks etc).
- What is the role of the community/neighborhood residents in making your community/neighborhood healthy?
- Asian American Health Status
- What health seminars/workshops do your community need?

Please contact our Center if you are interested in participating:
Asian Center – SE MI: 248-227-4374

The event is supported by a grant from the MI Dept. of Human and Health Services
