Friday, May 13 and Saturday, May 14

What *are* Sibshops?

Sibshops are celebrations of the many contributions made by siblings of kids with special needs. Sibshops acknowledge that being the sibling of a person with special needs is for some a good thing, others a not-so-good thing, and for many, somewhere in between. They reflect a belief that siblings have much to offer one another – if they are given a chance. Sibshops are a spirited mix of new games, new friends and discussion activities.

Who should I think of recruiting?

Facilitator Training – Anyone interested in sibling issues, who would like to learn how to run a Sibshop of their own. Attendees interested in becoming a facilitator would attend **both** days of the Sibshop training.

Introduction to Sibshops – Parents, caregivers, service providers, educators, community partners, LHD staff. Attendees who would like to know more about Sibshops and sibling issues, but not interested in how to run a Sibshop would attend this training, just day one (Friday, May 13).

Adult Sibling Panel – We are searching for 4-7 adults who have a sibling with special needs to participate on a sibling panel held on day one (Friday).

Demonstration Sibshop – We are searching for 20 young siblings (ages 8-to-13) of children with special needs to join us on day two (Saturday, May 14).
