Dear Provider,

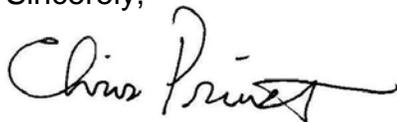

RE: Private Duty Nursing (PDN) Reimbursement Change

Pursuant to Section 1702 of Public Act 268 of 2016, the Michigan Department of Health and Human Services (MDHHS) will provide a 15 percent rate increase for PDN services for Medicaid beneficiaries under the age of 21. Effective October 1, 2016, PDN rates will be adjusted to reflect this increase.

The new PDN rates will be updated in the Community Health Automated Medicaid Processing System (CHAMPS) and will also be located on the Michigan Department of Health and Human Services (MDHHS) website at www.michigan.gov/medicaidproviders >> Billing and Reimbursement >> Provider Specific Information >> Private Duty Nurses. There are no changes to the PDN claims submission process.

Thank you for your continued participation in the Michigan Medicaid Program and your commitment to providing quality care to Michigan's citizens. If you have any questions please contact Provider Inquiry at 800-292-2550 or providersupport@michigan.gov.

Sincerely,

Chris Priest, Director
Medical Services Administration
