Dear Tribal Chair and Health Director:

**RE:** Coverage Parameters for Preventive Services

This letter, in compliance with Section 1902(a)(73) and Section 2107(e)(1)(C) of the Social Security Act, serves as notice of intent to all Tribal Chairs and Health Directors of the request by the Michigan Department of Health and Human Services (MDHHS) to submit a State Plan Amendment.

The purpose of the amendment is to update State Plan language regarding the coverage parameters for adult preventive services. Specifically, language will be added that includes Medicaid coverage parameters for those preventive services assigned a grade of A or B by the United States Preventive Task Force (USPSTF) and all approved adult vaccines and their administration as recommended by the Advisory Committee on Immunization Practices (ACIP). State Plan language will also be updated to exclude beneficiary cost sharing liability for Current Procedural Terminology (CPT) codes used to report the preventive medicine evaluation and management of adults. The anticipated effective date of this State Plan Amendment is May 1, 2017. MDHHS expects the State Plan Amendment to have a positive impact on Native American beneficiaries by increasing access to preventive services.

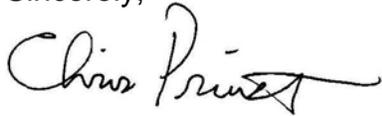

There is no public hearing scheduled for this State Plan Amendment. Input regarding this Amendment is highly encouraged, and comments regarding this Notice of Intent may be submitted to Lorna Elliott-Egan, MDHHS Liaison to the Michigan Tribes. Lorna can be reached at 517-284-4034 or via email at [Elliott-EganL@michigan.gov](mailto:Elliott-EganL@michigan.gov). **Please provide all input by October 31, 2016.**

In addition, MDHHS is offering to set up group or individual meetings for the purposes of consultation in order to discuss this Amendment, according to the tribes' preference. This consultation meeting will allow tribes the opportunity to address any concerns and voice any suggestions, revisions, or objections to be relayed to the author of the

proposal. If you would like additional information or wish to schedule a consultation meeting, please contact Lorna Elliott-Egan at the telephone number or email address provided above.

MDHHS appreciates the continued opportunity to work collaboratively with you to care for the residents of our state.

Sincerely,

A handwritten signature in black ink that reads "Chris Priest". The signature is written in a cursive style with a large initial "C" and a long, sweeping underline.

Chris Priest, Director  
Medical Services Administration
