# Stipend Training Funds for Lead Abatement Supervisors and Workers

## Letter of Intent to Bid

The Michigan Department of Health and Human Services (MDHHS) – Healthy Homes Section (HHS) has stipend training funds available for employees of present or future MDHHS HHS certified lead abatement companies. Funds can be used to train companies statewide, with the intent is to increase the capacity for lead abatement contractors to work in Flint Michigan. Contractors will be required to complete the MDHHS Lead Safe Home Program Pre-Qualified Vendor application process and bid annually on projects in Flint over the next five years to take advantage of the training and certification stipend funds.

By signing below you are agreeing to complete the MDHHS Lead Safe Home Program Pre-Qualified Vendor list and bid annually on lead abatement projects in the City of Flint over the next five years.
