*The 99402 code is utilized for all MIHP visits occurring in the home, office or places other than the home. Home visits are reimbursed at a different rate than clinic visits. To receive appropriate reimbursement for visits, it is important that providers include the place of service when billing these codes. Reimbursement for visits will be determined by the place of service code entered on the claim. For purposes of billing, a visit must be a minimum of 30 minutes in length.
