CONFERENCED IN: David Blankenship, Denise Herbert, Julia Hitchingham, Dawn Radzioch, Kristi Schmiede, Mark Witte

TOPIC SUMMARIES

- I. WELCOME AND INTRODUCTIONS – *Deborah Hollis***
Deborah welcomed the Transformation Steering Committee (TSC). Everyone introduced themselves.
- II. REVIEW AGENDA AND MINUTES**
Minutes from the March 17, 2016 meeting were reviewed and approved by consensus.
- III. OROSC Events – *all***
 - **Prescription Drug Overdose SP16 005 Grant – *Larry Scott***
Working on the grant application -due May 31. This grant will utilize all 10 PIHP's. Several counties were identified as being high need. This grant will focus on preventing overdose deaths. Grant will be one million per year for five years. Larry will share the abstract of this grant when completed.
 - **Michigan Youth Treatment Infrastructure Enhancement Grant (MYTIE) – *Larry Scott***
Working on a financial mapping deliverable of the requirement of this grant. In preparation for this, a continuum of care survey was sent out to PIHP's on May 18. This survey will ask about the type of services you are providing. Hope to align those services with expenditures and put together a common sense financial mapping for the state. Also received an executive summary of the treatment development workforce survey, results were sent out via email with the TSC documents. Larry went over the results of the summary.
 - **Recovery Reporting – *Lisa Miller***
Recovery document draft worked on by TSC was provided to contracts department and is in negotiations with PIHP's. Anyone that would like to give feedback, now is the time since this is a timely document. This document will come back from contracts to the SAPT Directors for comment.

- **Peer Recovery Coach Curriculum Update/Peer Conference** – *Pam Werner*
Everyone was given a copy of the Peer Conference Brochure, lots of great speakers and information at this conference if anyone is interested in coming. Conference is May 24-26 at the Lansing Center. Peer Curriculum update, the group has given the department their recommendations and internally they are being reviewed. At the same time the DD Peer mentor workforce is making changes with their stakeholders, the two documents will be combined, submitted to Medicaid, and a public comment will come up very soon. Peer prison project has trained 45 individuals to be certified peer support specialists. Graduation speaker was Heidi Washington of DOC, and she was very impressed with the program.

IV. **BHDDA Update** – *Thomas Renwick*

- **Waivers 1115, 1915(b), and 1915(c)** – Tom explained details regarding these waivers and the next steps. He also talked about provisions of managed care behavioral authorization through the feds. An 1115 waiver application has been drafted and presented for public comment. After the comments have been reflected in the application, it will be submitted to the Centers for Medicare and Medicaid (CMS). Needs to be submitted by the end of May. There is no mandated time frame for CMS to approve or reject an 1115 waiver application. The Department is working towards an October 1, 2016 implementation date.
- **298 Workgroup** – The group has met three times, and is meeting for a fourth time May 19. There are two groups: large and small. The larger group has 120 individuals, small group around 10-15. The large group spent time looking at core values. There is a public website www.michigan.gov/stakeholder298 that has all documents on it. Spent time looking at house and senate recommendations. Looking at some replacement language at the meeting on the 20th. Some of the workgroup activities have filtered into the legislature appropriations committee already. Next meeting is June 22 at LCC West.

V. **TSC Member Updates** – *All*

- **Julie Hitchingham – Department of Corrections RFA** – At round one of questions and a lot of changes. Every program under substance abuse services are included. Looking at philosophy about treatment and make some changes. Prison based programs DOC determines what curriculum is used. Want everyone within system connected with recovery coaches and case managers. DOC received a training grant to do trauma informed care. Another big change in DOC contract is trying to utilize Medicaid funding.
- **Mark Witte – SAPT Directors Priorities/Initiatives-** Mark starts off by saying SAPT Directors are really not a group. PIHP's are not a formal association, just a voluntary collaboration. SAPT Directors are a committee, and their job is to advise PIHP CEO's. Mark gives his interpretation as the spokesperson for the group at this meeting. SAPT Directors are consulting from time to time with LARA on license rule revisions they may be working on. LARA has a draft of some things in the works. Helping the department with Healthy Michigan solution to array of services. Pursuing CAST system. PIHP's are now members of the board association. Deborah asked about BG funding allocation, does that go to PIHP Directors? Mark says no should go to SAPT Directors.
- **Kristi Schmiede - Workforce Workgroup Report** – MCBAP draft development plan has been changed a bit, please look at the latest draft Kristi sent out and get comments back to her.
- **Ronnie Tyson**
 - Completed 10 out of 12 naloxone trainings for SUD Providers in Genesee County.
 - 2016 Spring Conference.

Action Item	Person(s) Responsible	Deadline
Cancel July Meeting	Jenny	5/20/16
Larry to share narrative of Rx Drug Overdose Grant	Larry	6/1/16
Re-send HMA workforce report to Denise Herbert	Jenny	6/1/16
