

# Asset Management Workshops

*Kick start your asset management program*

**DID YOU KNOW?** State law allows cities and villages to transfer up to 25% of Federal Aid funds to local roads if an asset management program is in place.

The FREE day-long training sessions being offered by the Michigan Transportation Asset Management Council will spell out the steps you need to take to develop an asset management program for your agency. Topics will include:

- Asset management in Michigan
- Assessing the condition of roads and bridges
- Understanding “a mix of fixes”
- Setting program targets and funding levels
- Identifying candidate projects
- Setting priorities
- Establishing a multi-year program
