

Consultant Prequalification Classifications - 8.11.15

New Classification Name	Previous Classification Name
CONSTRUCTION SERVICES CATEGORY	
Construction Engineering: Assistance	Engineering Assistance
Construction Engineering: Bridges & Ancillary Structures	Bridge Construction Engineering
Construction Engineering: Roadway	Road Construction Engineering
Construction Engineering: Roadway - Local Agency Program	New
Construction Inspection: Bridge Painting	Bridge Painting Inspection
Construction Inspection: Bridges & Ancillary Structures	New
Construction Inspection: HMA Pavement	Bituminous Pavement Inspection
Construction Inspection: Roadway	New
Construction Inspection: Traffic and Safety	Traffic & Safety Inspection Services
Construction Services: Office Technician	New
Construction Testing: Aggregates	Aggregate Testing
Construction Testing: Concrete	Portland Cement Concrete Inspection & Testing
Construction Testing: Density	Density Inspection & Testing
Construction Testing: HMA	Hot Mix Asphalt HMA Plant Inspection & Testing
Construction Testing: HMA Assistance	Hot Mix Asphalt HMA Technician Testing Assistance
DESIGN SERVICES CATEGORY	
Design - Bridges	Short & Medium Span Bridges
Design - Bridges: Complex	Complex Bridges
Design - Bridges: Load Rating	Bridge Load Rating Analysis
Design - Bridges: Movable Span	Moveable Span Bridges
Design - Bridges: Railroad	Railroad Bridges
Design - Bridges: Safety Inspection	Bridge Safety Inspection
Design - Bridges: Safety Inspection - Underwater	Underwater Bridge Inspection
Design - Bridges: Scoping	Bridge Project Scoping
Design - Buildings	Building and Structure Design
Design - Geotechnical	Geotechnical Engineering Services
Design - Geotechnical: Advanced	New
Design - Hydraulics I	New
Design - Hydraulics II	Hydraulics
Design - Roadway	Roads & Streets
Design - Roadway: Complex	Complex Urban Freeway Design
Design - Roadway: Intermediate	Roadway Rehabilitation & Rural Freeways
Design - Traffic: Capacity & Geometrics Analysis	Traffic Capacity Analysis & Geometric Studies
Design - Traffic: ITS Design & System Manager	ITS - Design & System Manager
Design - Traffic: Pavement Markings	Pavement Marking Plans
Design - Traffic: Safety Studies	Safety Studies
Design - Traffic: Signal	Traffic Signal Design
Design - Traffic: Signal Operations	Simple Traffic Signal Operations
Design - Traffic: Signal Operations - Complex	Complex Traffic Signal Operations
Design - Traffic: Signing - Freeway	Permanent Freeway Traffic Signing Plans
Design - Traffic: Signing - Non-Freeway	Permanent Non-Freeway Traffic Signing Plans
Design - Traffic: Work Zone Maintenance of Traffic	Maintaining Traffic Plans and Provisions
Design - Traffic: Work Zone Mobility & Safety	New
Design - Utilities: Municipal	Municipal Utilities
Design - Utilities: Pump Stations	Pump Station Design
Design - Utilities: Roadway Lighting	Freeway Lighting
Design - Utilities: Subsurface Utility Engineering	Subsurface Utility Engineering
Design: Landscape Architecture	Landscape Architecture
Design: Project Development Studies	Project Development Studies
Design: Value Engineering Facilitator	Value Engineering
Design: Wetlands	Wetland Design
ENVIRONMENTAL SERVICES CATEGORY	
Environmental: Archaeology - Historic	Historic Archaeology
Environmental: Archaeology - Prehistoric	Prehistoric Archaeology
Environmental: Botanical	Botanical and Endangered Plant Assessment
Environmental: Contamination	Site Investigation
Environmental: Historic Assessment	Reconnaissance/Intensive Level Survey
Environmental: Noise Assessment	Noise Assessment/Abatement
Environmental: Wetland Assessment	Wetland Assessment
SURVEYING SERVICES CATEGORY	
Surveying: Construction Staking	Construction Staking
Surveying: Geodetic Control and Leveling	Geodetic Control and Leveling
Surveying: Hydraulics	Hydraulic Surveys
Surveying: Right of Way	Right of Way Surveys
Surveying: Road Design	Road Design Surveys
Surveying: Structure	Structure Surveys
ENTRY LEVEL SERVICES CATEGORY	
Entry Level - Design - Traffic: Signal	Entry Level Traffic Signal Design
Entry Level - Design - Traffic: Signal Operations	Entry Level Simple Traffic Signal Operations
Entry Level - Design - Traffic: Signing - Non-Freeway	Entry Level Permanent Non-Freeway Traffic Signing Plans
Entry Level - Design: Roadway	Entry Level Roads & Streets

ELIMINATED CLASSIFICATIONS
Asbestos Investigations
Capital Preventative Maintenance
Environmental Assessment & Impact Statements
Geographic Information Systems
Photogrammetry
Photogrammetric Control Surveys
Remediation
Specialty Walls & Slopes
Technical Assistance
Underground Storage Tank Removal
Utility Coordination
Wildlife and Endangered Species Assessment
